This Certificate is for the exclusive use of Intertek's client and is provided pursuant to the agreement between Intertek and its Client. Intertek's responsibility and liability are limited to the terms and conditions of the agreement. Intertek assumes no liability to any party, other than to the Client in accordance with the agreement, for any loss, expense or damage occasioned by the use of this Certificate. Only the Client is authorized to permit copying or distribution of this Certificate. Any use of the Intertek name or one of its marks for the sale or advertisement of the tested material, product or service must first be approved in writing by Intertek. This certificate is valid only for the specific product model(s), batch, or lot number(s) listed. It is not transferable to other products, even if they are similar in nature. Intertek reserves the right to revoke or modify this certificate if, for example, it is determined that the information provided was inaccurate, incomplete or if the product(s) are found to be non-compliant with applicable safety standards.

## Certificate Appendix

# MR. MARBLE

Certificate Number: CA-63877-2026a

|                      |                                                                       |
|----------------------|-----------------------------------------------------------------------|
| Product Category     | Surfaces and Panels                                                   |
| Model Name(s)        | Cultured / Faux Granite, Cultured / Faux Marble, Cultured / Faux Onyx |
| Product Restrictions | None                                                                  |
| TVOC Range*          | 0.5 mg/m3 or less                                                     |

\* TVOC range stated is based on the most stringent modeling scenario (excludes Single Family Residence) as listed in the Conformance Criteria on page 1. All values are reported (milligram per cubic meter) corresponding to the LEED v4 TVOC ranges.
